Any oral, written statements, custom or course of dealing to the contrary are hereby expressly disavowed.

ADMINISTRATION OF THE PLAN

Pursuant to KRS 67.710 the County Judge/Executive is the chief executive of the county. The County Judge/Executive, by law, shall have all the powers and perform all the duties of an executive and administrative nature vested in, or imposed upon the county or its fiscal court. The judge/executive is responsible for the proper administration of the affairs of the county placed in his charge. Pursuant to KRS 67.710(7), the County Judge/Executive, with the approval of the fiscal court, has the authority to appoint, supervise, suspend, and remove county personnel, unless otherwise provided for by state statute. Notwithstanding the provisions of KRS 67.710(7), KRS 67.711(1) gives the County Judge/Executive express authority to hire a deputy county judge/executive, and a reasonable number of other assistants, secretaries, and clerical workers to work within the judge/executive's office, who shall serve at his/her pleasure. The fiscal court, pursuant to KRS 64.530(4), is required to fix reasonable compensation for these positions.

The County Judge/Executive is hereby designated as the county personnel administrator. In this capacity, the judge/executive may delegate such duties and functions as he/she deems appropriate.

Those positions that are NOT covered by the merit system shall include: Administrative Assistant, Deputy Judge Executive, Personal Secretary, Road Supervisor, County Finance Officer, County Treasurer, and/or any position limited by KRS and KAR.

EQUAL EMPLOYMENT OPPORTUNITY

The County provides equal employment opportunity to all employees and applicants. The County does not discriminate in its employment practices on the basis of race, color, sex, religion, national origin, age, disability, veteran status, genetic information, ancestry, because the individual is a smoker or non-smoker, or other protected classification, in accordance with applicable law.

EMPLOYMENT OF RELATIVES

An elected official may not hire or appoint a member of their family. If, however, the family member has been employed for at least one year prior to the official's election, this policy does not apply. This prohibition also does not apply to any relationship created by marriage if the relationship is reported to the Ethics Commission, which may take action to eliminate the adverse effects of the relationship.

For purposes of this section, "family" is defined as a spouse, child, parent, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, grandparent, or grandchild of an elected county official.

In the event of two "defined" family members being employed in the same department, under no circumstances will one member be permitted to supervise the other.

Requests for reasonable accommodations must be submitted in writing to the County ADA Coordinator. Upon receipt of a request for reasonable accommodation for a disability, the County ADA Coordinator may require that the employee provide documentation from a medical professional regarding the disability and requested accommodation. Medical documentation provided for this purpose will be kept separate from the employee's personnel file and kept confidential, subject to applicable law.

Only information related to the provision of a reasonable accommodation or information necessary to address safety issues in the work setting will be released to supervisors and/or departmental directors, subject to applicable law.

Any employee or applicant who believes that he or she has been subjected to prohibited discrimination may personally, or by a representative, make a report with the office of the County Judge/Executive or the appropriate Constitutional Officer using the procedure outlined in Appendix A to these policies.

 - b. If there is a positive test result or it is determined there was a refusal to test because of adulteration or substitution, the employee or applicant will be given an opportunity to

discuss the test results with the MRO and report to the MRO the use of any prescription or over-the-counter medication. Provided, however, that the employee will not receive the opportunity to discuss test results with the MRO if he/she declines the opportunity, has been instructed to contact the MRO and failed to do so, or has not been successfully contacted within ten (10) calendar days of the test despite reasonable efforts.

- c. If there is a positive test result or it is determined there was a refusal to test because of adulteration or substitution, the employee also shall have the opportunity to request, verbally or in writing, a test of the “split specimen” (as defined by 49 CFR 40.3). The employee must make such a request within seventy-two (72) hours of when the employee is notified of the verified positive drug test or determination of refusal to test because of adulteration or substitution. If the employee does not make his/her request within 72 hours, the employee may still request a “split specimen,” but only if the employee presents the MRO with documentation showing that circumstances such as a serious injury, illness or lack of actual notice unavoidably prevented him/her from making a timely request.
- d. If the MRO determines there is a legitimate medical explanation for a positive test result, the MRO shall certify that the test results do not indicate the unauthorized use of alcohol or a drug.
- e. If the MRO determines, after appropriate review, that there is not a medical explanation for the positive test result other than the unauthorized use of alcohol or a prohibited drug, the MRO shall refer the individual tested to the Human Resources Department for further proceedings in accordance with this policy.

MRO determinations concerning the use of alcohol or a controlled or illicit substance shall comply with all procedures outlined in the U. S. Department of Health and Human Services Substance Abuse and Mental Health Services (SAMHSA) “Medical Review Officer Manual for Federal Agency Drug Testing Programs.”

- 4. Additional requirements for MROs involved with DOT testing: For purposes of compliance with DOT requirements for testing of DOT-regulated “safety sensitive” employees (addressed more below), the Medical Review Officer must meet the qualifications set out in 49 CFR 40.121.
- 5. Additional DOT requirements for reasonable suspicion testing: For DOT testing purposes, the term “reasonable suspicion” means a trained supervisor’s or trained County official’s belief that an employee is using or has used drugs or alcohol in violation of this policy, drawn from specific, contemporaneous, objective and articulable observations concerning the appearance, behavior, speech or body odors of the employee, which may include indications of the chronic and withdrawal effects of controlled substances. Reasonable suspicion tests for DOT purposes must be based on suspicion that satisfies both this criteria **and** the criteria in the County’s Drug Free Workplace Policy. Further, when reasonable suspicion testing is required, the County must document the circumstances of an event if testing for alcohol does not occur within two (2) hours following a reasonable suspicion

determination, and must cease attempts to administer an alcohol test if it is not administered within eight (8) hours following the determination.

6. Additional DOT requirements for drug awareness training: Concerning alcohol and substance abuse awareness training, supervisory personnel responsible for DOT-regulated “safety sensitive” positions also must receive at least two (2) hours of training each year in DOT-compliant substance abuse detection, documentation and intervention. Half of this training shall be devoted to drug abuse, and the other half shall be devoted to alcohol abuse.

A period of incapacity due to a serious health condition of more than three consecutive full calendar days, plus one treatment by a health care provider followed by a regimen of continuing treatment. 6. Intermittent Leave and Reduced Work Schedules

- A. Leave may be taken intermittently or on a reduced hours basis only if such leave is medically necessary. In the case of unpaid leave for the birth or placement of a child, intermittent leave or working a reduced number of hours is not permitted unless both the employee and the County agree.
- B. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the County's operations. The County has the option, in its sole discretion, to require the employee to transfer to a temporary alternative job for which the employee is qualified and which better accommodates the intermittent leave or reduced hours leave than the employee's regular job. The temporary position will have pay and benefits equivalent to those of the employee's regular job.
- C. Employees must provide written note from their provider (or their family member's provider) for each absence taken as intermittent leave under this policy. Such a note simply must confirm the employee's absence was actually for the purpose of a visit to or treatment with a provider. Absent extenuating circumstances, the note must be provided to Human Resources within one (1) working day after the absence. The purpose of requiring such a note is to prevent fraud or abuse of intermittent leave taken under this policy.

- A. Employees must use accrued comp time, sick, and vacation leave before taking unpaid leave under this policy.

- A. Employees desiring to take leave under this policy must provide the County, through the Human Resources Officer, with at least oral notice sufficient to make the County aware that the employee needs qualifying leave, and the anticipated timing and duration of the leave. Employees must also inform the County if the requested leave is for a reason for which leave under this policy was previously taken or certified. When the necessity of leave is foreseeable, employees must provide the County at least thirty (30) calendar days' notice. When thirty (30) day notice is not possible, employees must provide the County notice as soon as practicable.
- B. Failure to give notice as required above may result in the request for leave under this policy being denied and may result in disciplinary action, up to and including discharge, for violation of the County's attendance policy.
- C. Once the County has knowledge has notice of anticipated leave from an employee, it will notify the employee whether the requested leave will be designated as qualifying under this policy and, if so, the amount of leave that will be counted against the employee's leave entitlement. The County's notice will also include any additional information required by law, as well as any employee rights and responsibilities that apply. The County ordinarily will provide this notice, either orally or in writing, within five (5) business days of receiving sufficient information, absent extenuating circumstances. If notice is oral, it will be confirmed in writing no later than the following payday, unless the payday is less than one week after the oral notice, in which case the notice will be given no later than the subsequent payday.

9. Certification of Healthcare Provider

- A. Any leave request based on either a family member's or employee's own serious health condition or a serious illness or injury of a covered service member must be supported by certification from a healthcare provider that verifies the need for such leave. For any leave taken under this policy that will be unpaid, the certification must be provided on either Form WH-380-E (for an employee's own serious health condition) or Form WH-380-F (for a family member's serious health condition) or Form WH-385 (for a covered service member's serious illness or injury). Any leave requested based on a qualifying exigency must be supported by a certification that complies with regulations issued by the United States Secretary of Labor.
- B. In general, the employee must provide a copy of certification required by this policy to the County in a timely manner after the County's request for certification. A maximum of fifteen (15) calendar days will be allowed to provide medical certification as required by this policy, unless circumstances make it impracticable to obtain the certification within this period of time, and the employee has made diligent, good faith efforts to obtain the certification.

- C. If the County deems a medical certification to be incomplete or insufficient, it will specify in writing what information is lacking, at which point the employee shall have seven (7) calendar days to cure the deficiency. If the employee completely fails to provide the certification requested by this policy, then the leave is not approved under this policy. If applicable, the employee may also be subject to discipline, up to and including discharge, for violating the County's attendance policy.
- D. The County may also seek a second, non-binding opinion at the county's expense. If that opinion differs from the opinion obtained by the employee, a third, binding opinion can be obtained, at the county's expense, from a health care provider agreed upon by both the employee and the county
- E. The County may request recertification of an ongoing condition every six months in conjunction with an absence.
- F. In order to return to work following leave (other than intermittent leave), employees must provide "fitness-for-duty" certification from their health care provider that specifically addresses the employee's ability to perform the essential functions of their job as identified in information the County will provide. In the case of intermittent leave under this policy, the County may require fitness-for-duty certification where a reasonable job safety concern exists.

10. **Continuation of Benefits During Leave**

- A. During leave under this policy, the County will continue to pay the employee's group health insurance premium. If the employee does not return to work after the expiration of the leave, the employee will be required to reimburse the County for health insurance premiums paid during the leave, unless the employee does not return because of the presence of a serious health condition which prevents the employee from performing his/her job, the continuation of a serious health condition of the employee's family member or circumstances beyond the control of the employee.
- B. The employee is required to pay their own health/dental contribution and voluntary benefits during unpaid leave on or before the payroll check date. If the employee is unable to pay their portion, the employer has the right to terminate those benefits during the FMLA event.
- C. During the unpaid portion of leave under this policy, employees shall not accrue employment benefits such as vacation leave or sick leave. Conditions of retirement credit accrual are determined by the County Employees Retirement System. Employment benefits accrued by the employee up to the day on which the leave begins will not be lost. During intermittent family medical leave, the employee must work more than one half of their scheduled workdays of the month to accumulate sick and vacation leave. Holidays are not a paid benefit during a FMLA event.

11. Employees' Obligations While On Leave

The County may require an employee on leave under this policy to report periodically to the Human Resources Officer on his/her status and the intention of the employee to return to work. The County may also require periodic re-certification of the employee's medical condition. Failure to report as requested or to obtain requested re-certification may result in disciplinary action, up to and including discharge. An employee taking leave due to the employee's serious health condition, except for intermittent leave, is required to obtain a fitness-for-duty certification at the employee's expense with regard to the condition that causes the need for leave under this policy. The County will not restore an employee to the employee's original position or an equivalent position if the certification is not provided.

12. Employees' Rights Upon Return to Work

Employees who return to work from leave under this policy within or on the business day following the expiration of the total leave available to them under this policy are entitled to return to their original job, **or** an equivalent position, without loss of benefits. However, pay increases conditioned upon seniority, length of service or work performed will not be granted until the approximate length of service, seniority, etc. was attained after returning to work. Employees who fail to return to work after taking the total leave available to them under this policy within a one year period lose their entitlement to be restored to their original job or an equivalent position. Employees are responsible for keeping track of how much leave they have taken.

The county expressly reserves the right to deny the previous job to "key employees" in instances where such restoration would result in substantial and grievous economic injury to the county. "Key employee" is defined as a salaried FMLA-eligible employee who is among the highest 10 percent of all county employees.
